Message from the President: On behalf of the Board of Directors, welcome to the 69th Annual Meeting of Canyon View Credit Union. We're grateful to have you with us virtually tonight and deeply appreciate your continued trust, support, and membership.

As we look back on 2024, we're proud to share the incredible progress we've made not only in growing our credit union, but in expanding the ways we support our members and the communities we serve.

We are proud to go forward as Canyon View Credit Union. Our name has evolved to set us apart in the market, to celebrate where we come from, and emphasize where we're headed as a financial institution. We are growing while remaining deeply rooted in the place and values that have shaped us for nearly 70 years. As we continue to grow, our members are at the center of all our goals and decisions.

In 2024, we introduced several initiatives to help members reach their financial goals. We expanded youth accounts to promote smart money habits early on, and our mortgage team hosted free webinars to guide members through each of the steps of different homebuying processes like purchasing a first home, a fixer-upper, or building from the ground up.

Each of these efforts reflects our commitment to practical, people-first solutions that make a real difference in the everyday lives of our members and community. These efforts have made an impact; and emphasize our commitment to our members, community, and employees.

In 2024, Canyon View Credit Union was recognized by USA Today as one of their Top Workplaces, by Best of State for both Mortgage Banking and Employee Relations, and we were named Best Credit Union in the Best of Southern Utah awards. Canyon View Credit Union was also recognized as City Weekly's Best of Utah for Best Local Company to Work For and Best Bank for Small Businesses.

These recognitions affirm that Canyon View Credit Union is a strong financial institution and trusted partner to our community, and that we've created an internal culture of excellence, integrity, and care.

At the end of 2024, Canyon View surpassed \$2 billion in assets and is the 5th largest credit union in Utah. Canyon View also grew to nearly 130,000 members, and even amid rapidly shifting interest rates, closed the year with \$1.66 billion in loan balances.

Canyon View loaned more than \$231 million in commercial financing to help local businesses grow, hire, and thrive in our community. Giving back is part of who we are at Canyon View Credit Union.

In 2024, Canyon View expanded its community partnerships and outreach efforts in meaningful ways. The Warm the Soles initiative provided over 800 children with brand-new shoes; Canyon View employees donated 1,500 toys to the Granite Education Foundation's Santa Sack program. Canyon View celebrated inspiring student-athletes like Utah Utes Wide Receiver Money Parks and Ryker Miller, a rising pole vault competitor.

Canyon View Credit Union is thrilled to welcome Make-A-Wish Utah as a field of membership partner. Through this partnership, Canyon View will help grant life-changing wishes to more than seven children facing critical illnesses. Canyon View is proud to participate in the April Drive for Wishes during World Wish Month.

President Buttars took a moment to honor the memory of Craig Bohn, Board Chair, who passed away in March of this year. Craig was a member of the credit union for over 44 years and served in several key leadership roles including Chair of the Credit Committee, Vice Chair of the Board, and most recently, Board Chairperson.

Craig's dedication, leadership, and service helped shape the credit union; his impact is immeasurable, and he will be deeply missed.

President Buttars thanked the Credit Union's management team and staff, for their unwavering commitment to the Credit Union Members. He also thanked the volunteer Board of Directors and Supervisory Committee, for generously sharing their time, insight, and leadership.

Last, President Buttars thanked the Credit Union members, for choosing Canyon View Credit Union, stating it is a privilege to serve them.

On behalf of management, President Buttars expressed the pride felt by all to move forward with the new name, Canyon View Credit Union. The name represents the strength of the Credit Union's foundation, its clarity of its vision, and commitment to empowering financial well-being for generations to come.

The following prizes were awarded to six attendees: Canyon View Cooler, Coleman Tent, Solo Stove, Hammock, Dutch Oven and a two-person kayak.
